## PRIVATE SCHOOL

### DISCOVER HIBERNIAN

Hibernian Private School is a boutique college preparatory school located in Fort Myers, Florida. Dedicated to individualized education & talent development, Hibernian provides an academically rich learning environment designed to support each student's individuality through the use of core and elective academics, community engagement and encouragement in the pursuit of personal talents & aspirations.

### SMALL CLASS SIZES

A low student-to-teacher ratio has been the emphasis of Hibernian since its founding in 2001. We believe small class sizes facilitate unparalleled learning providing daily contact between each individual student & their teacher. Class sizes range from 2-12.

### INDIVIDUALIZED LEARNING

The Hibernian team of educators & administrators spend a great deal of time connecting with each student, hearing about their passions, their learning styles and individual challenges. We work hard to adapt material & the learning environment to create a safe & enjoyable space for academic & personal growth.

### ABBREVIATED SCHEDULE

Our condensed school day focuses on core curriculum and fulfilling graduation requirements while opening up students' days to focus on their extracurricular pursuits. Ideal for students in intense athletic or artistic training, as well as students gaining job experience or participating in community service.

### FULLY ACCREDITED

Hibernian is fully accredited with the National Council for Private School Education Accreditation, and is NCAA approved. Students have the opportunity for dual enrollment with near by Universities and Colleges, including Florida Gulf Coast University and Florida Southwestern College, as well as Florida Virtual School.

### TALENT DEVELOPMENT

Hibernian offers school credit opportunities for most field of interest study and on the job experience. Supporting student's outside commitments with academic credit, and school courses tailored to the student's interests & pursuits.

## PRIVATE SCHOOL

### OUR CULTURE

Family-owned & operated, creating a sense of family is a cornerstone of the Hibernian vision. Our team of educators and administrators work daily to create a safe & supportive atmosphere for our students, making a point to truly get to know each student individually. Coming from all over the country & world, our students bring their individual perspectives and cultures to share with each other. Together creating a culturally rich environment for these future ambassadors of the world.

### OUR ACADEMICS

Hibernian serves grades 6-12 with a variety of classes to embrace our student's learning needs, including Gifted, Honors and AP classes. Our students are challenged to increase their knowledge and skill levels through a cross-area content curriculum, which immerse their mind in all subjects. Hibernian offers dual enrollment opportunities with near by Universities and Colleges, including Florida Gulf Coast University and Florida Southwestern College, as well as Florida Virtual School.

**Course Types:** Hibernian Private School courses are College Preparatory level unless denoted as Honors or Advanced Placement.

**Accommodated Academic Programs:** IEP, 504, ESOL, Gifted & Talented, Honors & AP.

### OUR STUDENTS

In addition to academics, many Hibernian students are pursuing athletic, artistic or other professional passions. Our team of educators and administrators are particularly attentive to each student as a whole individual, which means seeing them beyond their academics. We strive to support intense extracurricular commitments with our blending learning model, teaching styles and abbreviated schedule. Additionally, Hibernian welcomes students who have not found their academic home at more traditional public & private schools.
